

ABC Academy Offsite Permission Form

An important part of our teaching process involves hands on experiences for the children. This includes making nature observations, visiting places of historical interest and various community service agencies. To enable the school to furnish these valuable experiences for the children, it is necessary to leave the school premises from time to time. In consideration of ABC Academy, Inc. permitting my child to participate in offsite activities, I hereby for myself, my heirs, administrators and assigns waive and release any and all injuries or damages of any nature which my child may suffer while taking part in any activities connected with the event.

All preschool and school age field trips will require parent's written permission prior to each trip. The permission slip will state the location and approximate departure and return times. For school-age children a Swimming Permission Slip will also be completed annually. All parents are welcome to participate in the field trips.

Walk Permission

As part of our program, children will go on walks in the surrounding area supervised by staff, weather permitting. Children may be taken to locations listed below by ABC Academy's staff; infants and young toddlers will go in a buggy or stroller. The areas my child may walk to are: _____

A separate Field Trip Permission Slip describing the field trip will be sent home if your child will be leaving the center for an extended period of time (for preschool and school-age children only).

I give permission for my child to participate in walks.

I do not give permission for my child to participate in walks.

If you wish for your child to take advantage of these trips, please complete the space below. We will consider this approval permanent until further instructions from you.

_____ (child's name) may participate in offsite activities.

_____ (Parent's Signature) _____ (Date)

_____ (Parent's Signature) _____ (Date)

ABC Academy...A great place for your child to grow, learn and succeed!
